

DEEPU PUTHUVOTH

Frontend Developer

Passionate and results-driven front-end developer with 4 years of professional experience, currently at Coddle Technologies Pvt. Ltd, Calicut, Kerala. I specialize in building high-performance, responsive web applications with a focus on seamless UI/UX using React.js and Next.js. With a strong eye for design and attention to detail, I consistently deliver clean, maintainable code and optimized user experiences.

I have successfully completed 25+ projects for clients across India and internationally, including the UAE, UK, and USA.
